ADDITIONAL INFORMATION

As mandated by Act 472 of 2007, I have been informed of the Arkansas Course Transfer System and how to determine which courses will transfer to other Arkansas public institutions. Website link <https://adhe.edu/students-parents/transfer-info-for-students>

As required by Arkansas law Act 1101, placement in college level courses is determined by ACT, Accuplacer, or SAT scores. I understand that if required to enroll in developmental education courses as a result of my test scores, additional time may be required to complete my program of study.

Completing the Certificate of Proficiency in one semester and the Technical Certificate in two semesters requires enrolling in 15 hours per semester.
